

Product Information and Specifications

Engineered for high speed and high volume copying

This PEFC-certified PaperOne™ Copier has exceptional formation and good smoothness to ensure consistent and problem-free copying for the most demanding printing and copying requirement. With ProDigi™ HD Print Technology, it helps to preserve printer drums with less surface abrasion compared to regular copy papers. PaperOne™ Copier is available in a variety of sizes and basis weight for today's modern copy equipment.

Print & Usage Area

- Xerographic Laser monochrome and color printing
- Pigmented inkjet printers and copiers.

Examples of usage areas are high volume course books, notes, flyers, leaflets, draft reports and regular home & office printing etc.

Features and Benefits

Environmentally Friendly

- 100% renewable fibres from PEFC-certified plantations
(For more info, please visit www.pefc.org)

Good thickness & opacity

- Superb duplex (double-sided) printing with little/no show-through

Good whiteness

- Great print contrast and clarity

Precision cut edges

- Trouble-free performance, jam-free

ProDigi™ HD Print Technology

- Enhanced surface technology for better color inkjet/laser printing
